Lac qui Parle Valley Dollars for Scholars Awards to LqPV Seniors

Lac qui Parle Valley Dollars for Scholars is the local chapter of Scholarship America. Our local chapter has been in existence since 1990. Its purpose is to provide scholarships to graduating seniors of Lac qui Parle Valley High School in numerous academic and achievement disciplines. A student cannot receive more than one Dollars for Scholars scholarship award. This gives more students the financial assistance they need to attend college.

Endowment/Memorial Scholarships Important Part of LqPV Dollars for Scholars

Endowed scholarships awarded each year include:

- **Preston and Brownie "Ethelyn" Mork Endowed Scholarship**—This scholarship fund was established by Preston Mork in memory of his wife, Brownie. Preston died in 2007. An additional gift from Preston now funds over \$7,000 in scholarships.
- **Harvest Partners Agriculture Scholarship**—Harvest Partners was American Cyanamid's preferred customer program. Roger Strand, of Milan, is to be credited for the creation of this scholarship. Donations came from American Cyanamid dealers and customers.
- **Carl Thorstenson Academic Excellence Scholarship**—This scholarship will be awarded to a top student in the class each year. This award of at least \$1,500 is the result of a gift from Mr. Thorstenson's estate.
- **Junyce and Harry Nordby Math Scholarship**—Junyce and Harry were strong supporters of the Dollars for Scholars program in its early years. Harry passed away in 1998 and Junyce in 2000. The scholarship was established in their memory.
- **Chuck Brown Memorial Scholarship**—Former State Representative Chuck Brown was dedicated to his community, family, friends and the rural way of life. There was no stronger voice and supporter of Lac qui Parle Valley schools and the Dollars for Scholars program. A scholarship in his memory has been established following a memorial gift from his family.
- **Will Skreberg Scholarship**—Mr. Skreberg, a Dollars for Scholars contributor through the Phone-A-Thon, died in 2005. His gift funds \$5,000 in scholarships annually.
- **Wally & Arlys Heinecke Scholarship**—A gift from the estate of Wally & Arlys Heinecke will add a total of \$5,000 to this year's scholarships. Wally died in 2003 and Arlys in 2005.

Non-perpetual scholarships include:

- **James Hoover Memorial Scholarship**—A scholarship in memory of James Hoover, a former Madison High School teacher, who passed away in 2001, was established in 2002. A scholarship is awarded annually to a student who is interested in pursuing a career in Industrial Arts/Technology.
- **Bruce Moen Memorial Scholarship**—Bruce, Moen, a graduate of Milan High School, died as a result of a traffic accident on February 29, 2008. He was very interested in Dollars for Scholars and was considering sponsoring a scholarship. His family made a donation in honor of his retirement in 2007, and has now designated LqPV Dollars for Scholars as a preferred memorial for Bruce.
- **Olga B. Hart Education Career Scholarship**—If you are a junior in college and have declared Education as a major, you may be eligible to apply for this education scholarship. Scholarships of at least \$500 will be awarded to qualified students, who are graduates of Lac qui Parle Valley High School in November of each year. Watch the local newspapers for more information in November of each year how to apply.

LqPV Dollars for Scholars Scholarship Sponsors

Dollars for Scholars is one of the most successful scholarship programs around. Our program has been blessed with several large gifts, but our ability to help so many students is directly the result of contributions from dozens of businesses and organizations and hundreds of individual donors. For 18 years LqPV graduates have been saying THANK YOU! We are eternally thankful and grateful for the continued support of the Lac qui Parle Valley School community. The majority of the scholarships are given by local businesses, organizations and individuals. Many scholarship sponsors have been proud supporters of Dollars for Scholars for many years.

LqPV National Honor Society Raises

The Lac qui Parle Valley Chapter of the National Honor Society held its 9th annual Dollars for Scholars Phone-A-Thon on January 13 and 16, 2008. All funds raised go to the Dollars for Scholars Scholarship Program. Seventy-five percent of the proceeds are used to fund scholarships for the current class. The balance is placed into a fund for future year's classes.

This year's Phone-A-Thon raised nearly \$16,000 after expenses. The National Honor Society members and the Dollars for Scholars members and the Dollars for Scholars Board sincerely thank you for your generosity.
